The U.S. Department of Education has determined that you have an unusual enrollment history which indicates that you received Federal Student Aid funds at three or more institutions during the past four award years. Upon review of the academic transcripts submitted, it was determined that you did not earn academic credit at one, or more, of the previously attended institutions. This has resulted in a denial of any additional Federal Title IV funds.

In some cases, the student may present personal reasons to explain the failure to earn academic credit. If you wish to appeal this decision, please provide a written statement which provides an explanation for your failure to earn academic credit. Please refer to a situation that occurred during those academic terms in which you failed to earn credit. Within your statement, please include the name of the school and academic period in question. *Please include any third party documentation which would support your statement.* Typed explanations or additional pages, if needed, may be attached and submitted with this form.

☐ I certify that all of the information provided on this form is true and accurate.
☐ I understand that I may be asked to submit additional documentation, if necessary.
☐ I realize that if I do not provide an acceptable explanation, including supporting documentation, this form may be denied.
