

# SCHOLARS' SCROLL

FOR THE SCHOLAR BY THE SCHOLAR

APRIL 2023

## SCHOLAR OF THE MONTH

Sammyra Nieves-Rivera is a 3rd year with a major in Spanish and a minor in communications. During the summer of 2022, she furthered her education in Spanish by studying abroad in Spain, Salamanca. She describes her time there to be adventurous and fulfilling, but nothing compares to the connections she made. When Sammyra is at SVSU full time she isn't only a student but also the student program coordinator for the office of multicultural student affairs, a public admin, and the secretary for Hip-Hop crew.

Good job Sammyra and keep up the great work!
