

SCHOLARS' SCROLL

FOR THE SCHOLAR BY THE SCHOLAR

DECEMBER 2023

SCHOLAR OF THE MONTH

Lindsey Willet is a 4th year student pursuing a major in environmental science and a minor in Chemistry. Her dedication to her academics is shown through her involvement in the Saginaw Bay Environmental Science Institute (SBESI) where she contributes to the Saginaw Bay water quality assessments. Beyond academics she is engaged in independent ecology research at SVSU. Outside of school, Lindsey finds joy in her personal interests including music, outdoor activities, and spending quality time with friends and family. She was recognized for her outstanding performance and placed on the dean's list for 2 semesters, and she is apart of SVSU's collaborative environmental science research team.
