

SCHOLARS' SCROLL

FOR THE SCHOLAR BY THE SCHOLAR

SEPTEMBER 2023

SCHOLAR OF THE MONTH

Jan Ruiz is a first-year student pursuing a degree in graphic design. Jan was hand selected by the peer mentors for his hard work during transition camp. He is actively engaged in life on campus, Ruiz enjoys attending movie nights and video game tryouts that student life offers. Beyond academics, he values spending time with friends, listening to music, and eating food. His advice to fellow students encourages them to have fun while maintaining a sense of reason. Recently, Jan and his friend Ethan decided to go hammocking and enjoyed their time. Keep up the great work Jan!

GET INVOLVED

Student involvement on campus offers numerous benefits, including personal growth, stress relief, and improved academic performance. It fosters a sense of belonging, facilitates lasting friendships, and helps students excel in their college journey. Contrary to common belief, involvement enhances academic success by promoting discipline and time management. In essence, active campus engagement equips students for both personal and academic success in the vibrant world of higher education.
