

SAGINAW VALLEY STATE UNIVERSITY

This transfer credit guide provides important information for Delta College students who expect to pursue a bachelor's degree at SVSU. Students who also expect to pursue an associate degree at Delta College should consult directly with a Delta College academic adviser about the associate degree.

This information is subject to change without notice. Individual circumstances, degree paths, and credit totals will vary by student. Students are responsible for maintaining regular contact with an SVSU transfer adviser.

NOTES:

¹ This is only a guide; the [SVSU catalog](#) is the official document governing program and degree requirements and transfer policies.

² SVSU accepts a maximum of 62 applicable community college transfer credits toward the minimum 124 credit bachelor degree requirement. Students should count credits and limit their choices accordingly.

³ Bachelor degree candidates must meet SVSU Basic Skills and General Education (BS/GE) requirements. In addition to this academic major guide, refer to and cross reference the supplemental [Basic Skills and General Education guide](#) for appropriate electives.

⁴ Two Communication Intensive (CI) courses (3 credits each) are required for the SVSU bachelor degree. See an SVSU transfer adviser.

⁵ Michigan Transfer Agreement (MTA) students must complete CI courses at SVSU. Contact an SVSU transfer adviser for additional guidance on this and on other transfer topics.

⁶ A pre-requisite course is required for any SVSU course that is listed in bold. Depending upon student course placement, some prerequisite courses may be waived. See an SVSU transfer adviser.

⁷ Some majors require a minor. Additional credit options — possibly within GE — may be appropriate. Contact an SVSU transfer adviser for details.

⁸ Additional credits, if any, vary by major/minor combination, upper level, transfer-from school, etc. Choice of major/minor combination and of electives can be pertinent to various residency and degree requirements.

Bachelor of Science in Nursing

SVSU B.S.N. major and prerequisite courses are listed alphabetically according to SVSU's course codes.

| DELTA COLLEGE COURSES | | | SAGINAW VALLEY STATE UNIVERSITY COURSES | | |
|---|--|-----------|--|---|-------|
| Course No. | Course Name | Cr | Course No. | Course Name | Cr |
| BIO 171 | Integrated General Biology I | 4 | BIOL 111A | Principles of Experimental Biology (GE4) | 4 |
