

Appendix D Acknowledgements

The SVSU Self-Study Steering Committee would like to thank all those who worked on the Editorial Board and the various Operational Committees and Subcommittees. Their work was crucial in making this Self-Study Report possible. The Steering Committee recognizes that numerous additional faculty, staff, and students also contributed to this process by participating in focus groups, filling out questionnaires and forms, being interviewed, reading drafts, and contributing to the Self-Study Update. Many played multiple roles.

Special thanks also goes to the staff of University Communications, in particular Timothy Inman and Craig Snook, who are responsible for all aspects of production, for both the Self-Study Update and the Self-Study Report. The electronic version of the website was designed and produced by Daniel Tyger, Instructional Technology Services, and Eric Gardner, Associate Professor of English and member of the Editorial Board, with the assistance of student workers Ning Liu, Randy Walker and Jacob Sinacola. The printing was done by Perry Toyzan, Supervisor of the University Graphics Center.

This Report would not have been possible without the efforts and expertise of the Editorial Board who were: Sandra Nagel, Jack Wood, Mamie Thorns, Eric Gardner, Diane Boehm, and formerly Kim Good and Garnet Lewis. Special thanks goes to Diane Boehm, Director of Instructional Support Programs and member of the Editorial Board, whose work has been invaluable in all aspects of the process, from drafting text, to procuring graphs and spotting misplaced commas. Additional readers include University President, Eric Gilbertson, Assistant Dean of Science Engineering & Technology, Deb Huntley and Writing Center tutor, Kristen Harris. Thanks to them, also.
