OLLI Day Trip & Class: "Hemingway on the Road"

With Mike Federspiel, President of the Michigan Hemingway Society

Day Trip & Pre-Trip Class: "Hemingway on the Road"

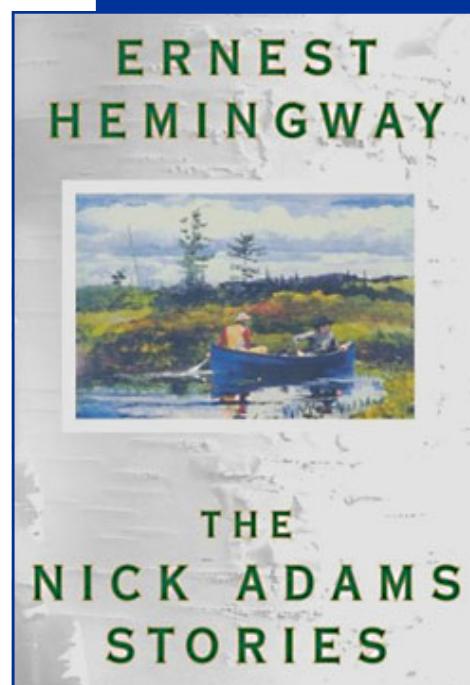

Join Mike Federspiel, a CMU History professor and current President of the Michigan Hemingway Society, on a true adventure. We'll head off for the Petoskey area where Ernest Hemingway spent his summers on Walloon Lake. On the bus, you'll listen to some interesting background on Hemingway's formative years and watch some videos.

Our day will include:

- A stop at the Little Traverse Historical Museum
- Lunch at the City Park Grill in downtown Petoskey, where you will have an opportunity to sit on "his" barstool
- Time in Horton's Bay and Walloon Lake to see the General Store, Red Fox Inn and Windermere Cottage
- And a little free time to shop in Petoskey.

The price includes deluxe motorcoach transportation from SVSU, lunch, admission to the museum and snacks on the bus.

It also includes a pre-trip class on Monday, June 2nd with Federspiel, which will provide more biographical and literal information on Hemingway. It is suggested that you read *The Nick Adams Stories* prior to the day trip.
