

Saginaw Valley State University President's International Graduate Student Scholarship Guidelines and Application Information

Saginaw Valley State University (SVSU) is highly committed to educating the finest students from all over the world. We recognize that the presence of international students enriches and promotes a globally aware and diverse academic community at SVSU.

We are proud to announce our President's International Graduate Student Scholarship for international students *applying* to SVSU. Funded by SVSU, the International Student Scholarship is a competitive award and provides partial tuition scholarships annually upon request as funding permits. The Scholarship committee consists of representatives of the Office of Graduate Admission and the Office of International Programs with award recommendations from the corresponding Graduate Program Coordinators.

Eligibility Requirements

Applicants must:

- Apply to join SVSU as a graduate student on an F-1 visa.
- Meet admission requirements for the program to which they are applying.
- Be citizens or residents of any country other than the United States.
- Complete the attached application.

Conditions of the Award

- The award amount may be up to \$2,000 per semester for a maximum of 4 semesters, contingent on merit and available funding.
- The scholarship award may be divided between multiple semesters.
- Students may receive only one form of SVSU financial assistance during any given semester.
- Students who receive the award must register for a full course load (at least 9 credits each semester at SVSU). If they register for less than a full course load, it must fall under one of the exceptions enforced by the U.S. Immigration and Custom Enforcement (USCIS) and approved by the Office of International Programs.
