Campus Security Report - 2009

September, 2009

Dear Members of the Saginaw Valley State University Community:

The **2009 Campus Security Report** provides an overview of 2006, 2007 and 2008 crime statistics and safety practices and policies for Saginaw Valley State University.

The following information has been prepared to increase your awareness of current programs that exist to assist you in protecting your safety and well-being. Portions are also provided in compliance with the federal law, specifically the Federal Clery Act, along with Department of Education requirements. SVSU has been fortunate in experiencing few serious crimes, but such incidents could occur, and all crime is serious. Students, faculty and staff have the responsibility to adopt measures to protect themselves and their possessions.

This publication contains crime statistics from the main campus. The information is made available to provide SVSU community members with specific information about available resources, both on and off campus, in the event they become the victim of a crime. Crimes should be reported to the University Police.

We invite you to read this information and consider the advice provided. Please feel free to contact me if you have any questions or comments about the material. We look forward to continuing our service mission.

Sincerely,

Lori M. Lipinski
Resources Supervisor
University Police Department

The University's Police Department

The University Police are responsible for providing police services to the SVSU campus. The department is located in the South Campus Complex, Building A, on Pierce Road, between Bay Road and Davis Road. The department has ten sworn police officers who are responsible for enforcing state and local laws and University regulations. These officers are professionals who work as a team to provide a safe environment in which the mission of the University can be fully realized. The Department is service-oriented, and community policing is an important service the department provides. Officers work together with community members to address community problems related to crime, fears associated with crime, and social disorder.

The University participates in the Saginaw County Mutual Aid Agreement whereby police agencies in Saginaw County utilize a protocol for providing assistance to one another. Participating police departments are able to assist SVSU Police when requested with criminal investigations, crowd control and short-term manpower and equipment needs.

University Police also employs students who serve as dispatchers and service officers. These students are responsible for dispatching police officers, providing information to the campus community, providing motorized and foot patrol of parking lots and buildings, assisting motorists and issuing parking tickets while enforcing the SVSU Parking Ordinance.

Education and Training

The University Police requires a baccalaureate degree as a condition of employment for full-time police officers. Many of the officers have graduate degrees. All of the sworn officers are licensed by the Michigan Commission on Law Enforcement Standards and have full arrest authority. The Department provides extensive on-going training for all campus police officers. Training subjects include criminal and civil law, public relations, diversity issues, interpersonal communications, crisis intervention, Rape Aggression Defense (RAD), defensive tactics and physical fitness. Police officers are certified in CPR (cardiopulmonary resuscitation) and the use of Automatic External Defibrillators (AEDs).

Campus Police Authority and Jurisdiction

SVSU University Police have complete police authority to apprehend and arrest anyone involved in illegal acts on campus. If minor offenses involving University rules and regulations are committed by a University student, the University Police may refer the individual to the Coordinator of Student Conduct.

Major offenses such as rape, murder, aggravated assault, robbery, and auto theft are reported and subject to prosecution in Saginaw County Court system.

University Police personnel work closely with local, state, and federal police agencies and have direct radio communication with Saginaw County 911.

Reporting Procedures

The University Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on the University Police website at: www.svsu.edu/universitypolice. This report is prepared in cooperation with the local law enforcement agencies surrounding the main campus and Housing and Residential Services.

An e-mail notification is sent to all enrolled students, faculty, and staff providing the University Police website address to access this report annually.

Community members, students, faculty, staff and guests are encouraged to report all crimes and public safety related incidents in a timely manner to the University Police Department. To report a crime or an emergency on campus, call the police at 9-911 from on campus, or 911 from off campus.

Crime Awareness and Prevention Programs

Campus security procedures are discussed during new student orientation. University Police officers participate in open forums to address and explain University security measures and procedures. Meetings are held in residence halls to inform students of security matters. Members of the University Police Department conduct crime prevention presentations when requested by various community groups, including students and employees of the University. During these presentations the following information is typically provided – crime prevention tips, statistics on crime at SVSU, information regarding campus security procedures and practices, including encouraging participants to be responsible for their own security, and the security of others on campus.

The Operation Identification program is explained to students living on campus. Operation ID is a program whereby an owner's recognized individual number is engraved on items of value. Engravers are made available by the University Police Department.

The University employs a private company to assist employees with family and personal crises. The Employee Assistance Program (LifeWorks) is free to all benefit employees, and referrals are kept strictly confidential. LifeWorks can be contacted at 1-877-234-5151 or www.lifeworks.com, 24 hours a day, 7 days a week.

The University Police offers a self-defense program, "RAD" (Rape Aggression Defense), to all female members of the SVSU community. The RAD program teaches basic self-defense skills and assists women in gaining confidence in their own abilities, as well as making them more aware of their surroundings. The following University Police staff can provide additional information: Sergeant Marc Strain (989-964-4157), Officer Jamie Teddy (989-964-4120), or Officer Ashley Christie (989-964-2162).

The University Police will provide a safety escort for students, staff, faculty and visitors upon request by calling the dispatch and communications center at 989-964-4141.

The University Police take a pro-active approach to minimize opportunities for criminal behavior. Periodically during the academic year the University Police, in cooperation with other university organizations and departments, present crime prevention awareness sessions on sexual assault, thefts, and educational sessions on personal safety and residence hall security. Crime prevention efforts stress community awareness and interaction through presentations and dissemination of materials, including:

Emergency Response and Notification of Emergency Situations

“CampusAlert” is an emergency notification system which provides University administrators the ability to send text and voice messages to cellular phones, campus phones (including classroom phones), home phones and e-mail accounts. “CampusAlert” informs as many people as possible by using multiple means of communication. Depending upon the nature of a particular situation, and in addition to local media, the University web site www.svsu.edu/universitypolice , and the University network and e-mail system are also used.

Crime Alerts/Timely Warnings

When a situation arises that, in the judgment of the Chief of University Police, constitutes an ongoing or continuing threat, a campus wide “campus alert” will be issued. The warning will be issued through the university e-mail system to students, faculty and staff. “Crime Alerts” are designed to educate the community in a timely manner regarding criminal activity.

Depending on the particular circumstances of the crime, especially in situations posing immediate threat to the community and individuals, the University Police may also post a notice on the University Police website at: www.svsu.edu/universitypolice , providing the university community with more immediate notification.

Crime Log

A monthly crime log is available for review 24 hours a day on the University Police website at www.svsu.edu/universitypolice . The information in the crime log is updated daily and typically includes the incident report number, date reported and occurred, general location and current disposition of each criminal investigation.

Fire Log

A yearly Fire log is available for review 24 hours a day on the University Police website at www.svsu.edu/universitypolice . The information includes damages and approximate dollar values.

Residential Missing Persons Protocol

Saginaw Valley State University observes the requirement for Missing Persons as mandated in the Higher Education Reauthorization Act of 2008. Each resident student has the opportunity to confidentially identify an individual he or she wants contacted in the event the student is reported missing for a period of 24 hours.

Additionally, the University will invoke a procedure under the direction of the University Police initiating an investigation in response to the missing person report. Parents or emergency contacts will be notified. The University Police will aggressively investigate the incident taking into account such factors as the emotional state of the student, the last known location of the student, and any other personal information that may determine the student's location. The investigation will include notifying University Administrators, the Residential Life Staff, and if applicable other area law enforcement agencies.

Off-Campus Crime

Students, faculty and/or staff involved in criminal activity off campus may be subject to on-campus disciplinary action. Contact the Office of Staff Relations 989-964-4109 for further information regarding disciplinary action for faculty and staff. Questions regarding the Student Code of Conduct Programs can be answered by Marie Rabideau, Coordinator, Student Conduct 989-964-2220.

Anonymous Reporting Procedures

The campus community is encouraged to report incidents to the police as soon as possible. Please report criminal incidents even if you prefer to remain anonymous. Consider making a confidential, anonymous report. The University will keep accurate records of the number of incidents involving students, determine where there is a pattern of crime and alert the campus community. The report will remain anonymous and can be completed by using the Anonymous Crime Tip Submission Form located on the University Police website at: www.svsu.edu/universitypolice.

Campus Facilities

The academic and administrative buildings are open to the public during normal business hours. Campus Facilities employees lock most buildings by 11:00 p.m. Gated residence hall areas are locked at 10:30 p.m. Door locks and security hardware are checked frequently. Access to some buildings is controlled by card access, and all buildings have varied levels of access. University police officers patrol the academic and administrative buildings on a regular basis.

Police officers conduct exterior lighting surveys and residential housing fire drills on a regular basis. The police make recommendations for the trimming of trees and other vegetation that may limit the visibility around buildings and residence halls.

University Residential Facilities

The Residential Life staff strives to provide appropriate enforcement of security measures in all campus housing, promoting a community respectful of individual and group rights and responsibilities. Periodic educational sessions on safety and crime awareness are provided in collaboration with University Police.

Crime Statistics Preparation

The procedures for preparing the annual disclosure of crime statistics include reporting statistics to the University community obtained from the following sources: SVSU Police, Saginaw County Sheriff's Department, Michigan State Police (Main Campus), and non-police officials, including Saginaw County agencies. For statistical purposes, crime statistics reported to any of these sources are recorded in the

calendar year the crime was reported. An e-mail request is sent annually to all campus officials with significant responsibility for student and campus activities. University deans, directors, and department chairpersons are asked to contact University Police if a crime was reported to them during the calendar year.

When the Crime Awareness Report is complete all faculty, staff and current students receive an e-mail from the Chief of University Police. The e-mail includes a brief summary of the contents of the report. Also included is the address for the University Police website where crime statistics and crime alerts can be found on-line.

Specific Information about Crime Statistics Reported by SVSU

Statistics for student housing are also counted in the “on-campus” crime category. Federal law requires institutions to break out the number of “on-campus” crimes that occur in residential facilities.

The statistics in the Hate Crime chart are separated by category of prejudice, but the numbers for each specific crime category are part of the overall statistics reported for each year.

Statistics under the heading of “Judicial Referrals” include individuals referred to the Office of Student Conduct Programs. The numbers include referrals that are made via University Police incident reports and reports provided directly to the Office of Student Conduct Programs.

Educating Members of the University Community

The University Police Department makes timely reports on safety issues that are of immediate concern to the SVSU community. These reports come in the form of fliers, bulletins, newspaper announcements, voice and e-mail messages and through the department website: www.svsu.edu/universitypolice

Michigan Sex Offender Registry

The Michigan State Police maintains a computerized Sexual Offender Registry which is located at www.mipsor.state.mi.us. This link is also located on the University Police website.

Responsibilities of the University Community

Members of the University community should assume responsibility for their own personal safety and the security of their personal property. The following precautions provide guidance:

- Report all suspicious activity to the University Police Department immediately.
- Never take personal safety for granted.
- Try to avoid walking alone at night. Walk with a friend when possible.
- Never leave valuables unattended.
- Always lock the door to your residence hall room, whether or not you are there. Be certain that your door is locked when you go to sleep, and keep windows closed and locked when you are not at home.
- Do not leave valuables in your car, especially if they can be easily noticed.
- Engrave personalized owner’s recognized numbers on items of value. Use the Police Department

Operation ID engraving service.

- For lost or found property, contact the University Police at 989-964-4141. Found property items are listed on the University Police website: www.svsu.edu/universitypolice. Property is turned in daily to the department.

Alcohol and Drug Policies

The Drug-Free Workplace Act of 1988, Subtitle D, Section 5152 and the Drug Free Schools and Communities Act Amendments of 1989, PL No. 101-226, require that Saginaw Valley State University maintain an environment free from the unlawful manufacture, distribution, dispensation, possession or use of controlled substances and/or alcohol. The unlawful manufacture, distribution, dispensation, possession or use of drugs and alcohol is prohibited on any site where activities occur by individuals on behalf of Saginaw Valley State University.

SVSU is committed to the health and safety of its campus community through programs of alcohol education provided by the Student Counseling Center. The University enforces compliance with alcoholic beverage laws on campus and at University-sponsored activities.

Alcohol is not permitted on campus by any person under 21 years of age. There are additional regulations in the Student Handbook for students living in residence halls and apartment complexes. Unauthorized sale, use, manufacturing or distribution of alcohol or controlled substances by a student or staff member may result in disciplinary action.

Illegal Drugs Policy

The SVSU campus has been designated drug free. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the SVSU University Police. Violators are subject to University disciplinary action, criminal prosecution, fine and imprisonment.

Response to Sexual Assault

Guidelines and Assistance

The University Police and Residential Life work together to provide educational programs for students regarding sexual assault awareness and prevention. Sexual assault issues are discussed with students throughout the year in a variety of formats. Self-defense strategies for female students are taught through the Rape Aggression Defense (RAD) program, offered throughout the year. Situations leading to sexual assault, and how to prevent an assault, are presented to resident students and the campus community at large.

If you are sexually assaulted:

- Get to a safe place as soon as you can.
- Try to preserve all physical evidence. Do not wash, use the toilet, douche, change clothing, or disturb the area if you can avoid it. If you do change clothes, put all clothing you were wearing at

the time of the attack in a paper, not plastic, bag.

- Contact the University Police Department by calling 989-964-4141 or 9-911. University Police will ensure you obtain medical treatment immediately. The Forensic Nurse Examiners Program will collect the appropriate evidence in the event you wish to take legal action. A sexual assault advocate will also be contacted to assist you.
- Contact someone you trust to be with you and support you.

Medical Treatment

It is important to seek immediate and follow-up medical attention for several reasons – first, to assess and treat any physical injuries you may have sustained; second, to determine the risk of sexually transmitted diseases or pregnancy and take preventive measures; and third, to gather evidence that could aid criminal prosecution. Physical evidence should be collected immediately – ideally within the first 24 hours. In some circumstances evidence may be gathered up to 96 hours after a sexual assault.

Reporting to the University Police Department

Reasons for reporting to the Police Department are:

- To take action which may prevent further victimization, including issuing a crime alert to warn the campus community of an impending threat to their safety.
- To apprehend the assailant.
- To seek justice for the wrong that has been done to you.
- To have the incident recorded for purposes of reporting statistics about incidents that occurred on campus.

When you report the incident to the University Police, an officer will take a statement from you. The officer will ask you to describe the assailant(s) and may ask questions about the scene of the crime, any witnesses and what happened before and after the incident.

Confidential Reporting Procedures

If you are the victim of a crime and do not want to pursue action within the University system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the University Police Department will file a report with the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With this information, the University can keep an accurate record of the number of incidents involving students, determine if there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

Be Assured . . .

If you feel you have been a victim of a sexual assault on campus, the University Police will meet with you privately at a place of your choice to take a complaint. Your name will not be released. You will be treated with courtesy, sensitivity, dignity, understanding and professionalism. The University Police will do its best to accommodate requests for talking with a male or female officer. You will be assisted in arranging for hospital treatment, medical needs and future counseling. Your case will be fully investigated, and you will be kept up-to-date on the progress of the investigation. This may involve the

arrest and full prosecution of the suspect responsible.

Officers will facilitate internal charges through SVSU. They also will aid in your request to relocate to other housing and to transfer classes. Disciplinary sanctions can include probation, suspension or expulsion.
