

MATH 300

# Web Research Project

**Due date:** Your project is due on Tuesday, March 19.

**Length:** No shorter than one page and no longer than two pages.

**Format:** Centered heading containing: your name, the date, the title, the page of the text on which the website is referenced. Body of text in 12-point type. References at the end.

**Suggestions:** Download the website's articles. Read the articles several times. Divide your subject into parts. Summarize what your articles have to say about each part.
