

# SVSU Overview of Process for **Category 2**

## Resolution Process for Harassment & Discrimination

### **Formal Complaint**

Any individual may file a formal complaint with the Title IX Coordinator alleging discrimination or harassing behavior.

### **Investigation**

The matter will then proceed to an investigation, which will be conducted by the Title IX office. Occasionally, a different, or less formal, response to the complaint may be warranted.

### **Draft Report**

Impacted parties receive a draft report summarizing interviews and evidence and have the opportunity to review and comment.

### **Investigation Report**

The Investigator will complete a final report — including the Investigator's analysis and findings — which will be provided to the Complainant, the Respondent and other pertinent SVSU officials, as necessary, to insure proper resolution and follow-up regarding the matter.

### **Corrective Action**

Impacted parties receive a draft report summarizing the interviews and evidence and have the opportunity to review and comment.
