

4-Year Action Plan: Junior

www.svsu.edu/careers

- Update your resume, have it critiqued, and upload a polished version to the Cardinal Career Network.
 - Gain acceptance to the SVSU Cooperative Education and Internship Program and find an internship if you have not done this yet.
 - Check out Professional Tips on our website to learn about interviewing and professional dress attire.
 - Attend an Employment Fair to research employers and look for internship opportunities.
 - Take a leadership position in your organization on campus- a great experience and great resume builder.
 - Schedule a mock interview.
 - Use SVSUCONnect to seek mentorship in your field of study.
 - Re-evaluate your long-term career plan and continue to take the steps you need to take to achieve these goals.
- Check SVSU Career Services regularly on social media to stay up to date on employment fairs and events, job postings on the Cardinal Career Network, and so much more.
