

# 2023 EDUCATOR EFFECTIVENESS RATINGS

## INITIAL STANDARD TEACHING CERTIFICATES

### SVSU - College of Education

Certification data (MOECS) includes all educators issued an Initial Standard Michigan teaching certificate between academic school years 2018-2019 and 2022-2023, inclusive. An academic school year is from July 1, 20xx through June 30, 20xx of the following year. Additionally, these educators were recommended for their Initial Standard teaching certificate by an approved Michigan Educator Preparation Program (EPP).  
 For this analysis: The academic school year = 2022-2023 and the name of the REP collection during which the data in a given record was reported = EOY 2023.
