

SE&T Colloquium Series-Winter 2020

Speakers	Professor Leonard Boehm and Dr. Darryl Gardner Dow Visiting Scholars, Wayne State University Host: Dr. Amy Hlavacek
Title	<i>Teaching Math: The Math Corps Approach</i>
Abstract	Two complementary components of the Wayne State University Math Corps approach to teaching mathematics, namely the fundamentals and enrichment, will be discussed. Ideas and attitudes toward teaching the fundamental curriculum will be presented. Techniques in the teaching of enrichment topics via the group discovery method of Socratic teaching will also be presented.
Date	Tuesday, February 18
Time	4:10-5:00pm
Place	Pioneer 240
	Refreshments will be served at 4:00pm.
