

A dark, monochromatic background illustration featuring a champagne bottle on the left and two glasses on the right. The bottle has a foil-wrapped cork and a label that partially reads "Prosecco". The glasses are filled with a bubbly liquid, likely champagne. The entire illustration is rendered in a sketchy, line-art style.

WINE & SPARKLING

A detailed illustration of a wine bottle tilted to the right, pouring a dark liquid into a stemmed glass. The liquid is captured mid-pour, creating a dynamic splash and bubbles within the glass. The bottle and glass are rendered with fine lines and shading, giving them a three-dimensional appearance. The background is a solid dark color, which makes the white text and the illustration stand out.
