

## English Language Program Graduate

### Semester A

#### **ELPG\*093 Research Writing**

Acquire basic literacy skills to increase vocabulary and reading comprehension of beginning texts.  
Write well-developed research essays and understand and implement the principles and practices of academic integrity to avoid plagiarism.

#### **ELPG\*091 Lectures and Discussion**

Use appropriate listening strategies to comprehend graduate-level listening passages and communicate effectively in small group situations.

### Semester B

#### **ELPG\*095 Reading and Vocabulary**

Use appropriate reading strategies and knowledge of academic vocabulary to comprehend graduate-level texts.

#### **ELPG\*094 Written Communication**

Write well-developed texts for a variety of academic purposes.

#### **ELPG\*092 Presentations and Classroom Communication**

Deliver presentations and communicate effectively in academic settings.

Students who successfully complete all ELPG courses meet the English language proficiency requirements for participating graduate programs.

Semesters may be taken in any sequence.
