Students are eligible to search and select roommate(s) in the Roommate & Room Selection tab of the main menu once they have submitted their contract. Only those with completed contracts will be searchable. This is not required, but a nice feature if you want to find students with similar interests.

The image shows a three-part navigation sequence. The first part is a sidebar menu with options: Home, Housing Contract & Forms, My Info, Roommate & Room Selection (highlighted with a red arrow), and Meal Plan Information & Selection. The second part is a sub-menu titled 'Roommate & Room Selection' with options: Select Roommates, Select a Room/Suite, and Add name to waiting list. A red arrow points from the 'Roommate & Room Selection' menu item to the 'Select Roommates' option. The third part is a dropdown menu for 'For the Term:' with options: Fall 2025 (selected with a checkmark), Fall 2024, and Winter 2025. A red arrow points to the 'Fall 2025' option. Below the dropdown are sections for 'Roommate Requests (0)' and 'Pending Roommate Requests (0)'.

Make sure to select the proper term, it will default to the current term otherwise

“Search for Roommate(s)” will appear on the bottom of the page as an option, select that.

Students can search for roommates using the following filters:

- Favorite music
- Dirty/clean room tendencies
- Preferred room temperature
- Preferred sleep schedule (night vs morning person)
- Smoker/Non-smoker
- Gamer/non-gamer
- Major
- Mixed Gender housing preference (yes or no)
- First/Last name
 - We recommend searching by last name first, the system utilizes legal names which means nicknames will not be found in the first name search function.

Students can “request” a roommate, this request must be accepted to be considered a “match”. In the event there is a roommate group of more than two persons, **all individuals must request/accept one another to be fully matched and able to be placed together.**

Students have until May 1 to select roommates. This is not required, but if you have a preference you will need to complete this step.

Failure to match with preferred roommates may lead to placements apart.
