PREVENTIVE CARE

Medical

Certain services, when billed as preventive, are covered at 100% due to the new Health Care Reform Law. Please note, the services must be billed as preventive, not diagnostic. You may also wish to contact your insurance carrier in advance of a medical procedure that you may undergo to determine what your benefit level is. In doing so, you will want to obtain the diagnosis and the billing code in advance that the Doctor's office or Hospital will use for payment of the service you will be provided. With the diagnosis and billing code, customer service should be able to tell you exactly how the service will be covered.

Items on the Preventive Care Guidelines are covered with \$0 copay can be found at:

<http://www.bcbsm.com/content/dam/public/Consumer/Documents/help/fags/preventive-care-brochure.pdf>

Pharmaceutical

Certain preventive care prescription drugs are covered 100%.

A complete list of covered prescription drugs can be found at:

<http://www.bcbsm.com/content/dam/public/Consumer/Documents/help/documents-forms/pharmacy/preventive-drug-list.pdf>

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA)

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires employer health plans to maintain the privacy of your health information and to provide you with a notice of the Plan's legal duties and privacy practices with respect to your health information.

LIFETIME LIMIT NO LONGER APPLIES AND ENROLLMENT OPPORTUNITY

The lifetime limit on the dollar value of benefits under our plan no longer applies. Individuals whose coverage ended by reason of reaching a lifetime limit under the plan are eligible to enroll in the plan. Individuals have 30 days from the date of this notice to request enrollment. For more information contact Human Resources at 989-964-4108.

WOMEN'S HEALTH & CANCER RIGHTS ACT OF 1998

"Janet's Law" requires health care benefit plans to provide certain coverage following a mastectomy. As part of this coverage, plans must also cover procedures necessary to effect reconstruction of the breast on which the mastectomy and surgery to achieve a symmetrical appearance, as well as the cost of prostheses (implants, special bras, etc.) Coverage is also provided for physical complications of all stages of mastectomy, including lymphedemas, as recommended by the attending physician of any patient receiving plan benefits in connection with the mastectomy. This coverage is subject to the same deductibles and co-insurance that apply to mastectomies under current terms.

OPPORTUNITY TO ENROLL IN CONNECTION WITH EXTENSION OF DEPENDENT COVERAGE TO AGE 26

Individuals whose coverage ended, or who were denied coverage (or were not eligible for coverage), because the availability of dependent coverage of children ended before attainment of age 26 are eligible to enroll in our plan. For more information contact Human Resources at 989-964-4108.

SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact Human Resources at 989-964-4108.

NEWBORNS' ACT DISCLOSURE NOTICE

Group Health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

GENETIC INFORMATION NONDISCRIMINATION ACT OF 2008

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. 'Genetic Information' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

MICHELLE'S LAW

Michelle's Law is an act that requires health plans to allow college students who take a leave of absence or reduce their class load because of illness to retain their dependent status under their parents' health plan for up to one year. Students' eligibility for dependent coverage will continue for one year (unless the student would otherwise lose eligibility within the year). To qualify for protection under Michelle's Law, the following requirements must be met: the student must be enrolled as a full-time student immediately before the leave of absence or scheduled reduction, the student must have written certification from a treating physician that the leave of absence or reduced schedule is necessary due to a severe illness or injury, and the leave or reduced schedule must have triggered the loss of student status under the health plan. If the plan sponsor changes group health plans during a medically necessary leave and the new health plan offers coverage of dependent children, the new plan will be subject to the same rules.

TELL US WHEN YOU'RE MEDICARE ELIGIBLE

Please notify Human Resources when you or your dependents become eligible for Medicare. You will need to provide Human Resources with a copy of your Medicare card. We are required to contact the insurer to inform them of your Medicare status. Federal law determines whether Medicare or the health plan pays primary. You must also contact Medicare directly to notify them that you have health care coverage through an employer group. Privacy laws prohibit anyone other than the Medicare beneficiary, or their legal guardian, to update or change Medicare records. The toll free number to contact Medicare Coordination of Benefits Contractor is 1-800-999-1118.

NONDISCRIMINATION NOTICE

Saginaw Valley State University complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Saginaw Valley State University does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Saginaw Valley State University:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:

- Qualified interpreters
- Information written in other languages

If you need these services, contact Human Resources at 989-964-4108. If you believe that Saginaw Valley State University has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with: Human Resources at 989-964-4108 or by email at hr@svsu.edu.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf> or by mail or phone at:

U.S. Department of Health and Human Services

200 Independence Avenue, SW

Room 509F, HHH Building

Washington, D.C. 20201

1-800-368-1019, 800-537-7697 (TDD)

Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877- KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –

FOR ADDITIONAL INFORMATION PLEASE CONTACT HUMAN RESOURCES AT 989-964-4108.

Important Notice from Saginaw Valley State University About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Saginaw Valley State University and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Saginaw Valley State University has determined that the prescription drug coverage offered by Blue Cross Blue Shield of Michigan, and by MESSA is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Saginaw Valley State University coverage will be affected. If an employee (the policyholder) decides to enroll in a Medicare Part D plan, coverage under the Saginaw Valley State University plan will end for the individual and all covered dependents. If a dependent decides to enroll in a Medicare Part D plan, coverage under the Saginaw Valley State University plan will end for the individual only. If you do decide to join a Medicare drug plan and drop your current Saginaw Valley State University coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Saginaw Valley State University and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage, contact the person listed below (or call SVSU Benefits at 989-964-7100). NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Saginaw Valley State University changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage.

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
