

## **Winter 2023 Math 082 Test Review Schedule**

**For those who cannot make the live review, a recording will be posted on our website.**

<b>Test</b>	<b>Date</b>	<b>Time</b>	<b>Room</b>
Test 1	Monday, January 30	6:00pm – 8:00pm	SE 222
Test 2	Monday, February 27	6:00pm – 8:00pm	SE 222
Test 3	Sunday, April 16	6:00pm – 8:00pm	SE 226
Final Exam	Sunday, April 23	4:00pm – 6:00pm	SE 226

Copies of the practice tests used during the sessions will be available at the Tutor Desk in the Math and Physics Resource Center. For best results, try the problems yourself before the review session.

Students that attend review sessions for the full time will receive 5 points of extra credit in your Math 082 class.
