

MyMathLab Course Registration Instructions

Things you need:

1. **A Course ID:** This will be provided by your instructor.
2. **A valid email address:** You must check this email regularly. This address will be used to confirm your registration and for other communication about the course. Your instructor will also use this email address to communicate with you.
3. **A student access code:** (Or, pay online with a credit card or a PayPal account.) This pre-paid code is printed inside the Student Access Code Card. The code card may be packaged with your new textbook or it may be available for purchase separately from your schools bookstore.

To Register and Sign in to Your Instructors Course the First Time:

- Go to www.pearsonmylab.com.
- Click Student under Register.
- Enter your Course ID and click Continue.
- Verify the course information.
- You have a Pearson account if you have used other Pearson online products. Enter your username and password, and click Sign In.
- If you dont have a Pearson account, click Create an account.
- Complete your account set up by entering your name, email address, a username and password, and any other required information.
- Click Create Account. You now have a Pearson account.
- Paying for your course access.
 - If you have already purchased an access code, click access code, enter the code and click Finish.
 - If using a credit card or PayPal, click the button for the access you want to purchase, provide payment account information and verify your order.
- Print the Confirmation & Summary.

You now have access to your instructors online course.

Click Go To Your Course, and then in the left panel, click the course name to start your work.

To Sign in to Your Course Again Later:

- Return to www.pearsonmylab.com.
- Click Sign In.
- Enter your Pearson account username and password and click Sign In.
- In the left panel, click the course name to continue your work.
