JumpIn 2019, the All Adjunct Faculty Orientation, is scheduled for Thursday, August 15th. During the day, Canvas Overview Training is planned for 1:30 in Z111 and every College is hosting an event at 2:30. At 3:30, our office will be hosting a Strolling Appetizer and Information Fair. This will be followed by the Orientation dinner beginning at 4:30 where the Deans and Department Chairs will be in attendance. After dinner, faculty will be able to attend three different breakout sessions. When registering for this event, new adjunct faculty should select the required breakout session titled, Adjunct Faculty Basics 101, which is in the 6:00 time slot. This breakout session will acquaint new faculty with the University's support services and other basic information necessary to negotiate SVSU. The day's schedule for this event is on Page Two of this newsletter.

It is important that every adjunct faculty member attend our orientation. Invitations were sent in July to your SVSU email account. So, if you haven't already done so, please use the following link to R.S.V.P.:

Adjunct Faculty Business Cards

This fall, the Office of Adjunct Faculty and Academic Support Programs will again be ordering 100 cards for the first 100 adjunct faculty who complete a form on Survey Gizmo. It is our hope that you, a member of SVSU's adjunct faculty, will be able to use this business card should you want to connect with a student or should you decide to encourage someone to consider applying to SVSU for admission. We also hope that this card will help to validate your importance to SVSU.

To complete the survey, go to:

Adjunct faculty are eligible to fully participate in the University's **Health and Wellness Rewards** program. By participating in this program faculty can earn points simply by submitting an annual physical exam form, logging their exercise, and participating in the SVSU Health and Wellness programs!
