Institution	Saginaw Valley State University
Degree/Program	Psychology (B.A.)
Credits Required	120 credits (8 foundation credits – 21 required credits – 14 required Course I credits – 6 to 8 required Course II credits – 2 lab course credits)

MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at www.mitransfer.org.

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Psychology MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

MiTRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSYC*100	General Psychology	4 credits

General Education Category 10 and Recommended Program Requirement	PHIL*114	Intro to Logic	3 credits

ADVISING NOTES

Please indicate any advising notes for students following this transfer pathway at your institution.

A minor is required.

A Psychology Major requires 43 credits in psychology and completion of the Foundation courses and the required Psychology courses. The 8 foundations credits do not apply to the 43 credits psychology requirement, but they still need to be completed.

*The TWO course sequence (BIOL 181 & BIOL 182) is REQUIRED for Psychology Majors seeking a Psychological Biology Minor, but can also be applied to Psychology Majors earning other minors.
