

Community Resources

This flyer gives students access to resources within SVSU's community that provide a wide array of services, including alcohol and drug abuse, community mental health services, public health departments, sexual assault/domestic violence facilities, and military services.

Important:

- Stay calm. Dial the appropriate number (see below)
- State the emergency (ex. Suicidal feelings, sexual assault, domestic violence, alcohol poisoning, drug use).
- Give the address/location of the emergency. Be very specific, including house or apt. number and cross street. Also know the number of the telephone from which you are calling.
- Stay on the telephone and do as instructed by the 911 operator or other emergency personnel

Medical Emergency or Police

- On campus dial: 9-911
- Off campus dial: 911
