**REFLECTIVE QUESTIONS/ELEMENTS:**

Are we . . . comfortable exercising our legal authority over the budget?

Do we . . . understand all financial reports?

Are we . . . comfortable tabling decisions until further information can be or is obtained?

Are we . . . meeting/exceeding fund balance goals?

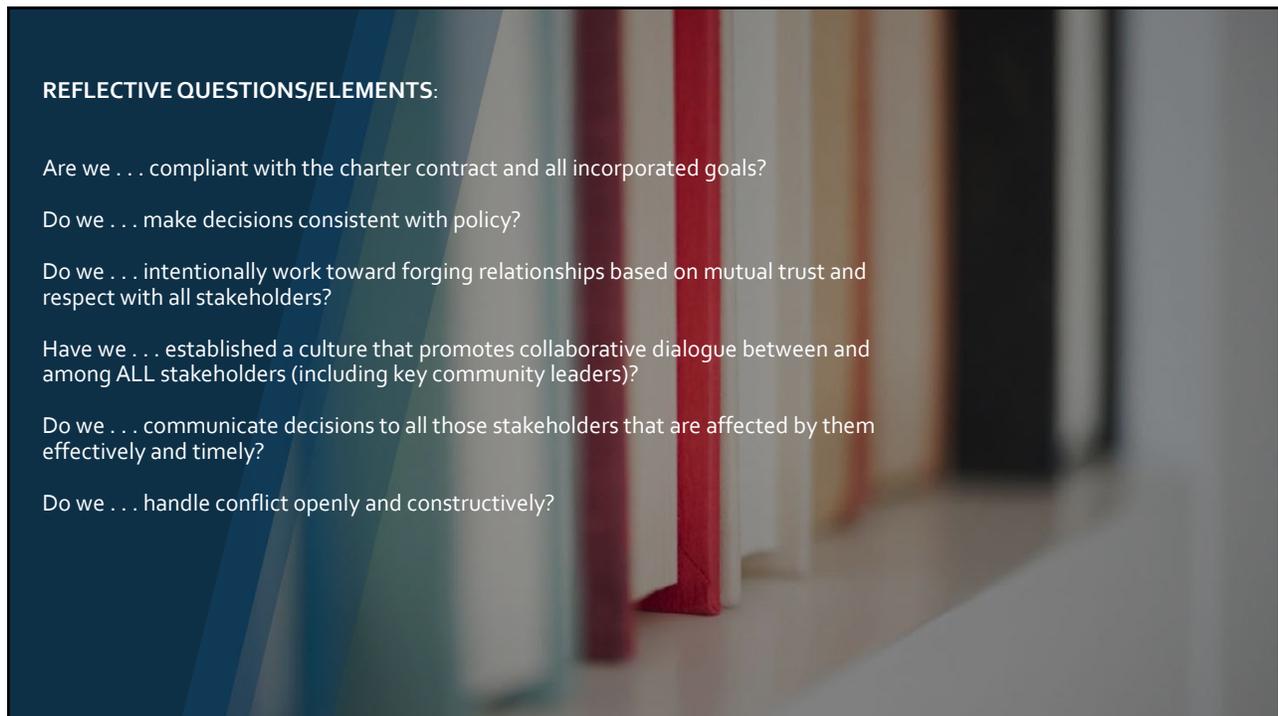

Are we . . . ensuring key programs are adequately funded?

Are we . . . satisfied with the overall financial health of the academy?

**REFLECTIVE QUESTIONS/ELEMENTS:**

Are we . . . compliant with the charter contract and all incorporated goals?

Do we . . . make decisions consistent with policy?

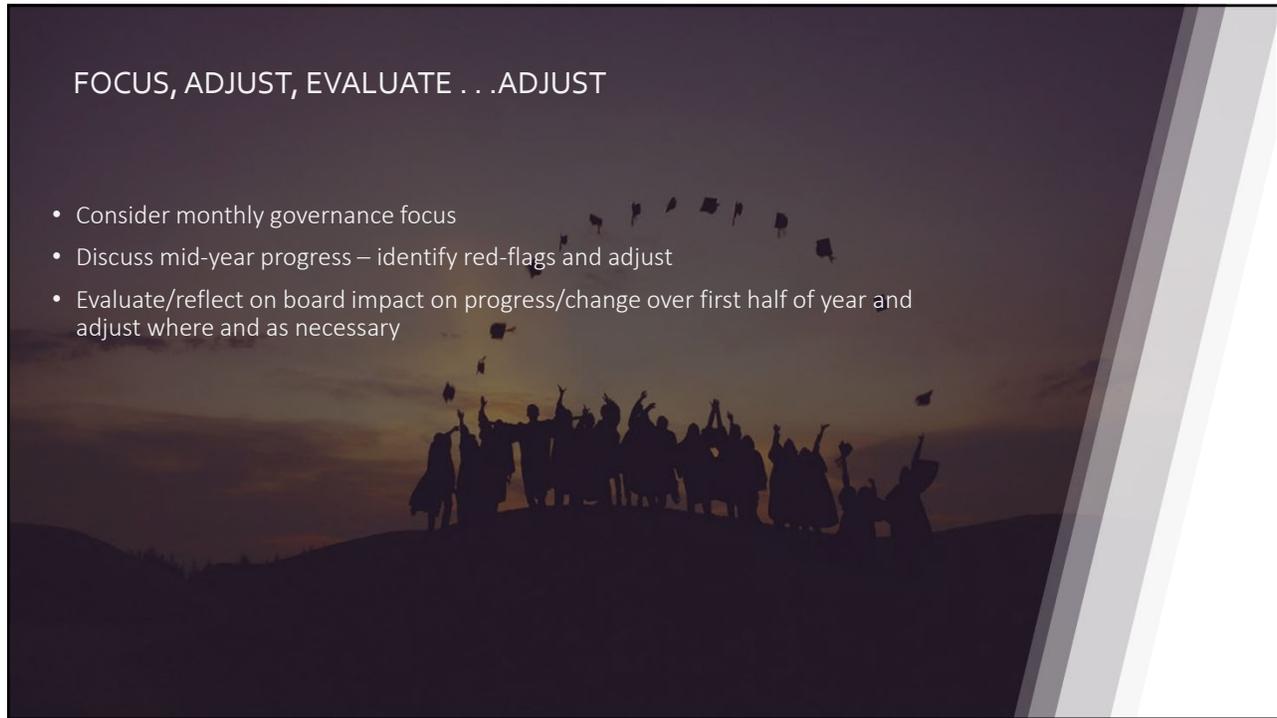

Do we . . . intentionally work toward forging relationships based on mutual trust and respect with all stakeholders?

Have we . . . established a culture that promotes collaborative dialogue between and among ALL stakeholders (including key community leaders)?

Do we . . . communicate decisions to all those stakeholders that are affected by them effectively and timely?

Do we . . . handle conflict openly and constructively?

FOCUS, ADJUST, EVALUATE . . .ADJUST

- Consider monthly governance focus
- Discuss mid-year progress – identify red-flags and adjust
- Evaluate/reflect on board impact on progress/change over first half of year and adjust where and as necessary
