

ELA

Figure 1 – Merritt M-STEP ELA: Displays the percent of students proficient in reading on the M-STEP in each grade for years 2015 through 2017. 11th grade displays the percent of students proficient on the SAT in Evidence Based Reading and Writing.

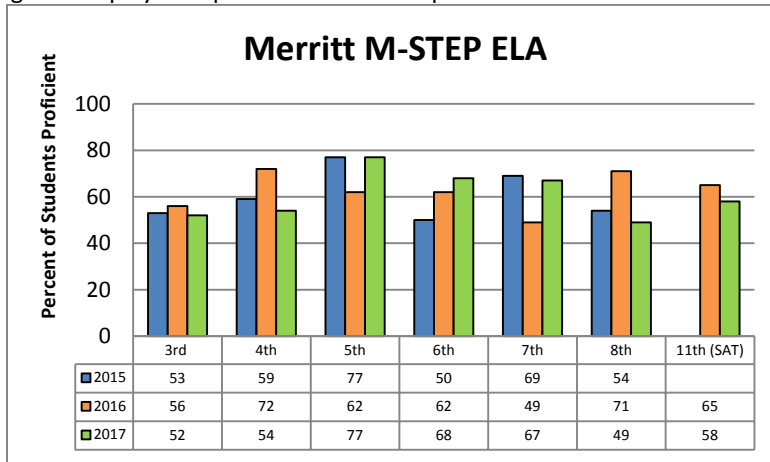

Figure 2 – Merritt NWEA Fall and Winter 17.18 Mean Reading RIT: Displays the computed national 25th and 75th percentile RIT norms by grade for reading, as well as the school's mean RIT for the Fall and Winter 17.18 NWEA reading assessment.

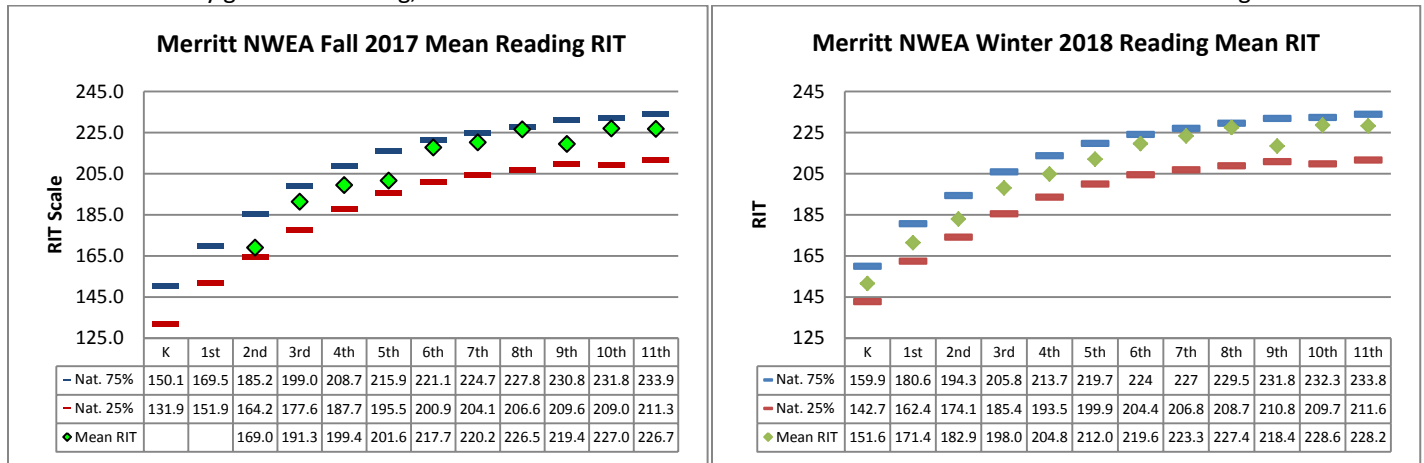

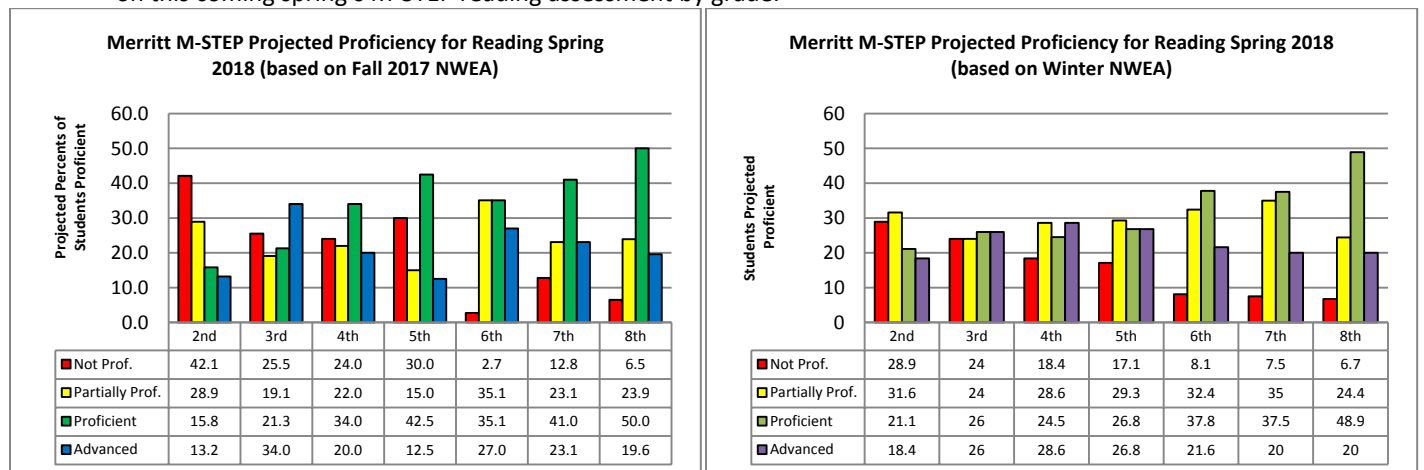

Figure 3 – Merritt Spring 2018 M-STEP Projected Proficiency for Reading: Displays the percentages of projected proficiency levels on this coming spring's M-STEP reading assessment by grade.

ELA continued

Figure 4a – Merritt Winter 2018 ELA Illuminate Assessments: Displays the average percent of questions correct by month per grade for TRG CCSS Pacing Guide assessments.

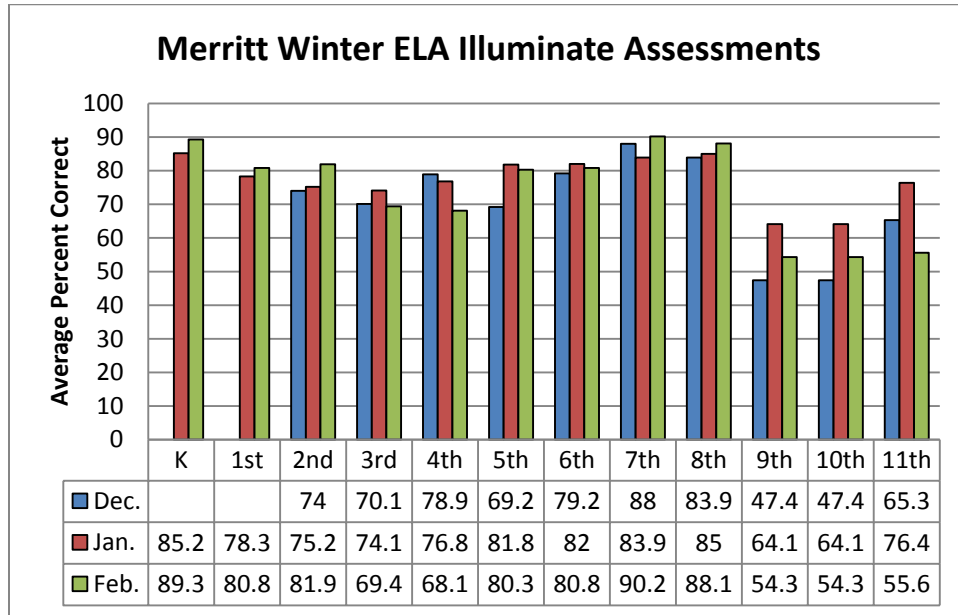

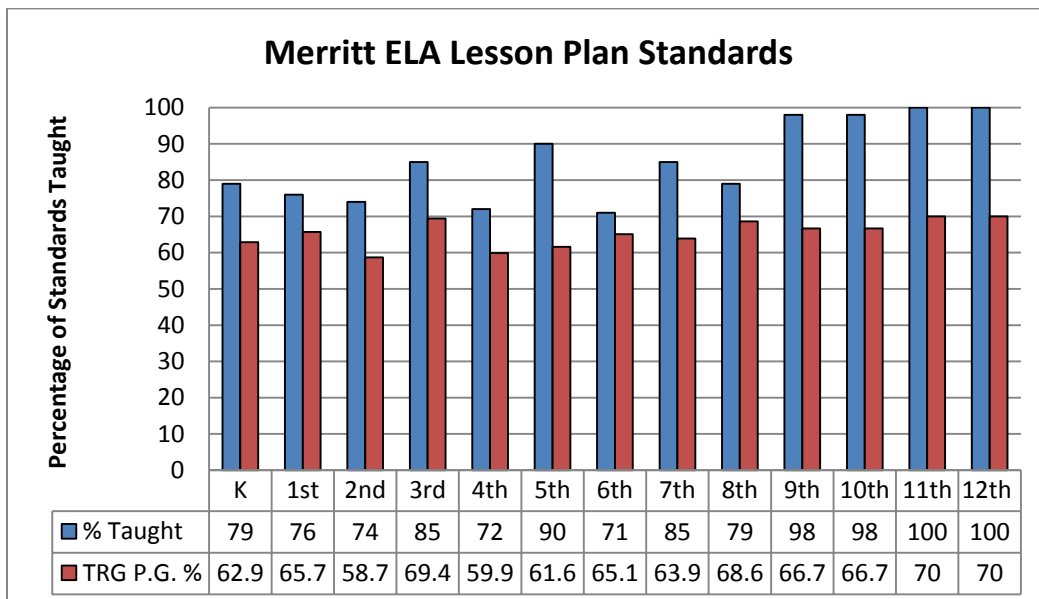

Figure 4b – Merritt Illuminate Student Counts: Displays the total number of students assessed each month by grade.
