GREAT DEMONS . . .

Arc has kept me alive and at this youthful look for some 80 years now. I honestly lost track and Arc never cared enough.

He also put false memories into my "brother"...

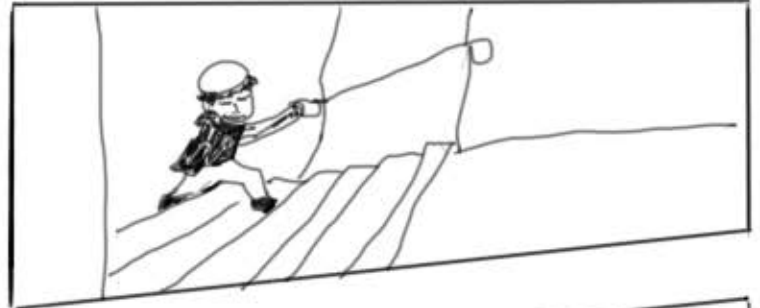

... and "parents" to make them think I am one of their family.

I never knew my real family because I was taken by this demon when I was little, but I don't mind one bit!

I eat with them and play my part.

Arc plays his keys and it almost sounded like a small song. He asks, "Why do you enjoy doing good and being good?"

Because it's fun.

...

"But it is twice as hard as the selfish life," he says.

But life becomes a challenge!

And you know what? You change the whole world the very moment you decide.

Crack!
Whoosh!
Verrrrrrr!

Come on out!

We have known about this "Deity" for some time now and it is too dangerous to be kept in a child's control!

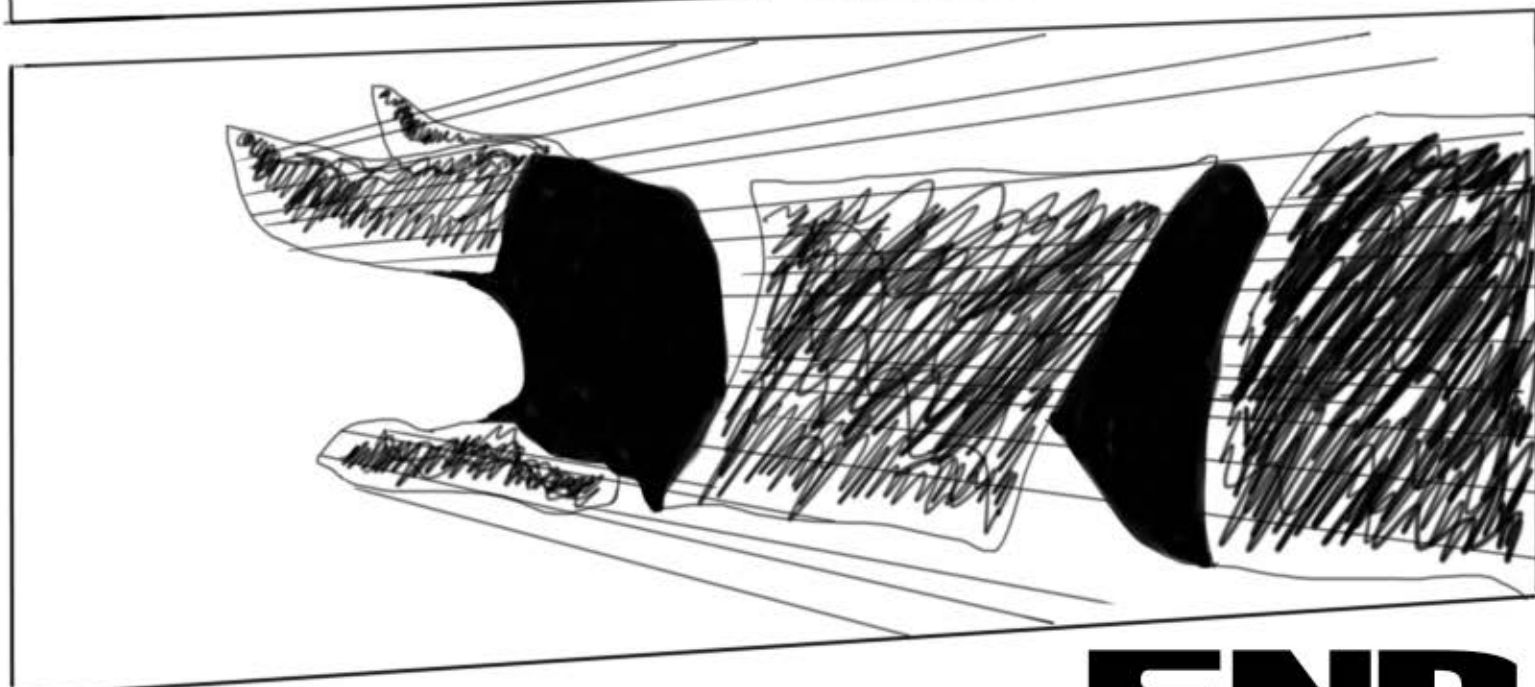

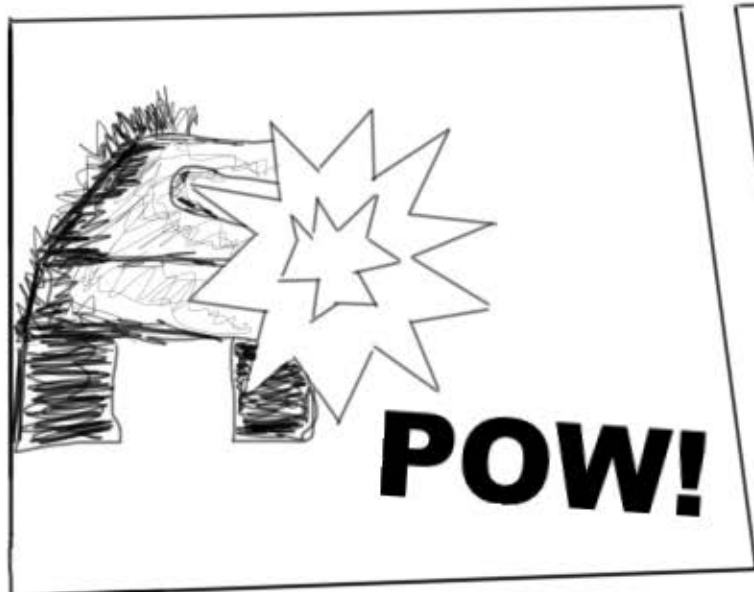

Surrender or be destroyed!

Arc, you know what will happen if they somehow can manage to control your power.

I will show you what it means to be selfless if you would be so kind to inhabit me.

... AND LITTLE GODS

Hope & the power
of Love!

Once there was a
quiet little town
that was attacked
by a vicious
beast who knew
nothing of love
because of its
evil owner!

ZOOM!

That was the day the
world seen the power of
LOVE!

Out of nowhere Hope appeared
to save the day. Prepared to fight
off the pitbull. She seen the
hateful owner yelling commands to the
pup. She knew that hate was the
only thing it knew. But she knew what
to do!

She flew full speed at the dog
and when she reached it, she hugged
the huge dog. Someone showing
compassion and giving the pitbull love
opened its eyes. The giant began to shrink
because of Hope's love!

Monsters

by EMELY WILLIAMSON

Ancient Greece: a land of culture, a world of gods and goddesses, damsels and heroes...
But what is a hero without a monster to slay, and what truly makes a monster?

According to legend,
Poseidon, God of the Sea,
took many consorts
in his time.

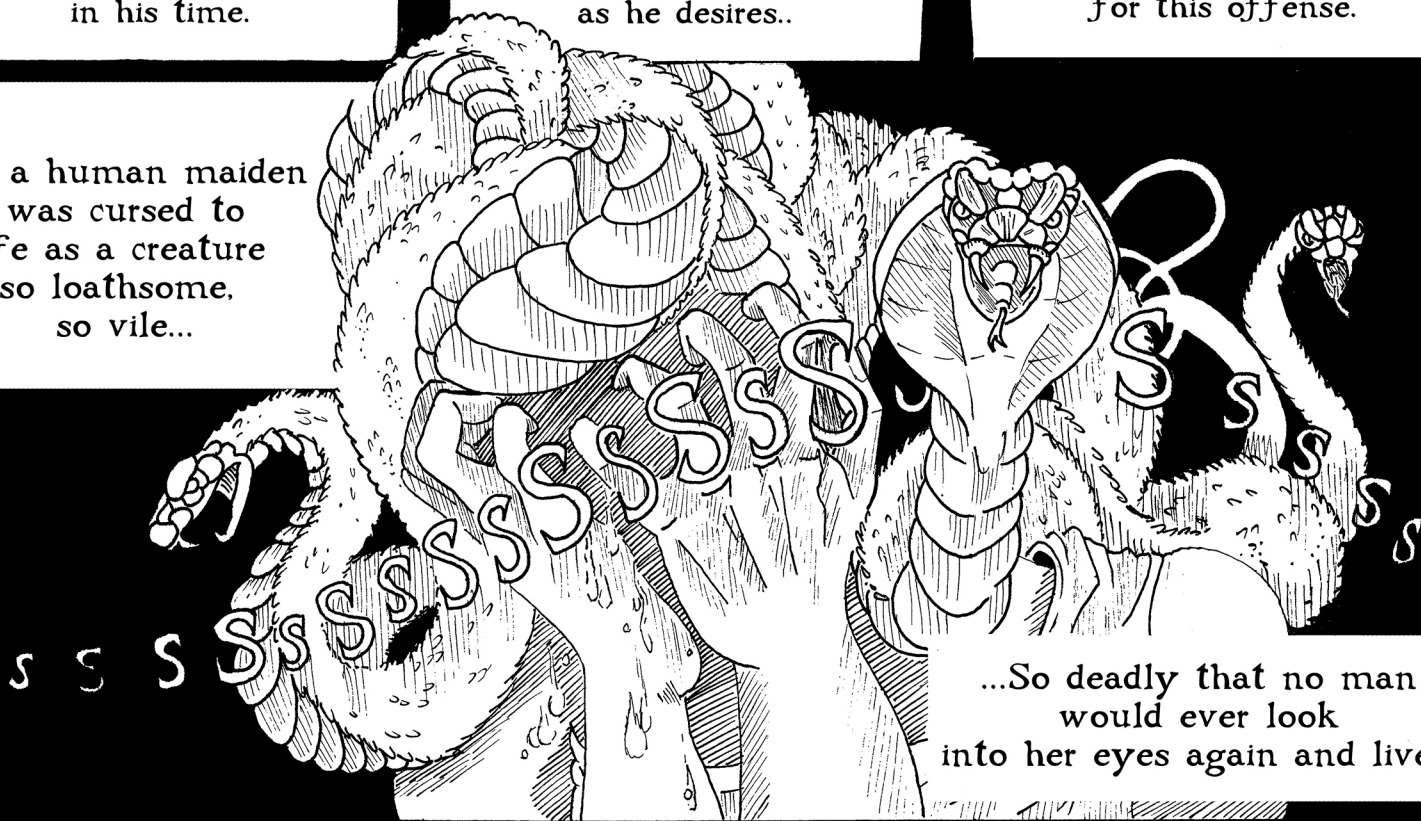

His consorts were not
always willing,
but a God takes
as he desires..

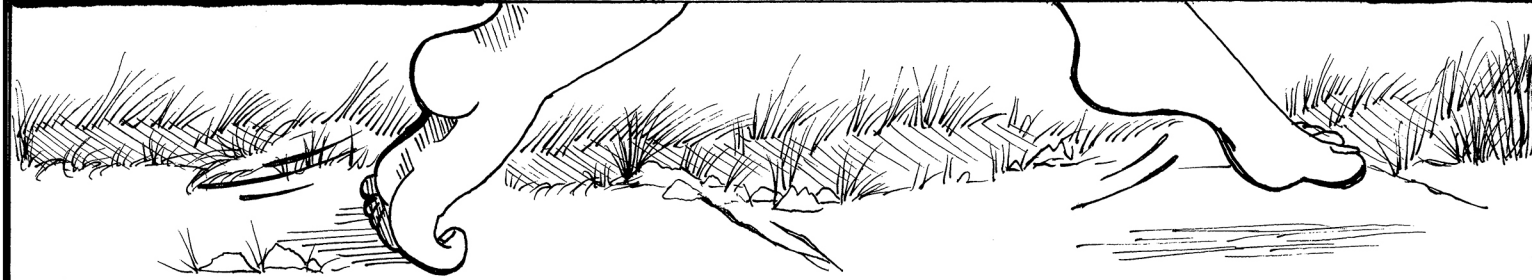

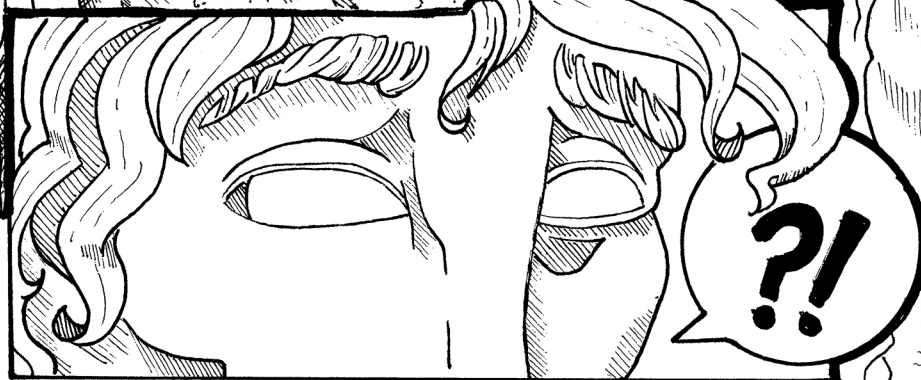

Even in Athena's temple.
Athena was quick
to give retribution
for this offense.

So, a human maiden
was cursed to
life as a creature
so loathsome,
so vile...

...So deadly that no man
would ever look
into her eyes again and live.

Leave me alone..
I'm... I'm a monster.

Come on.
Let me help you.
I'm sure you're not-

You should leave.
It's not safe.
...I'm not safe.

I'm sorry!

Hm..;

But...
Even if
it's perfect.

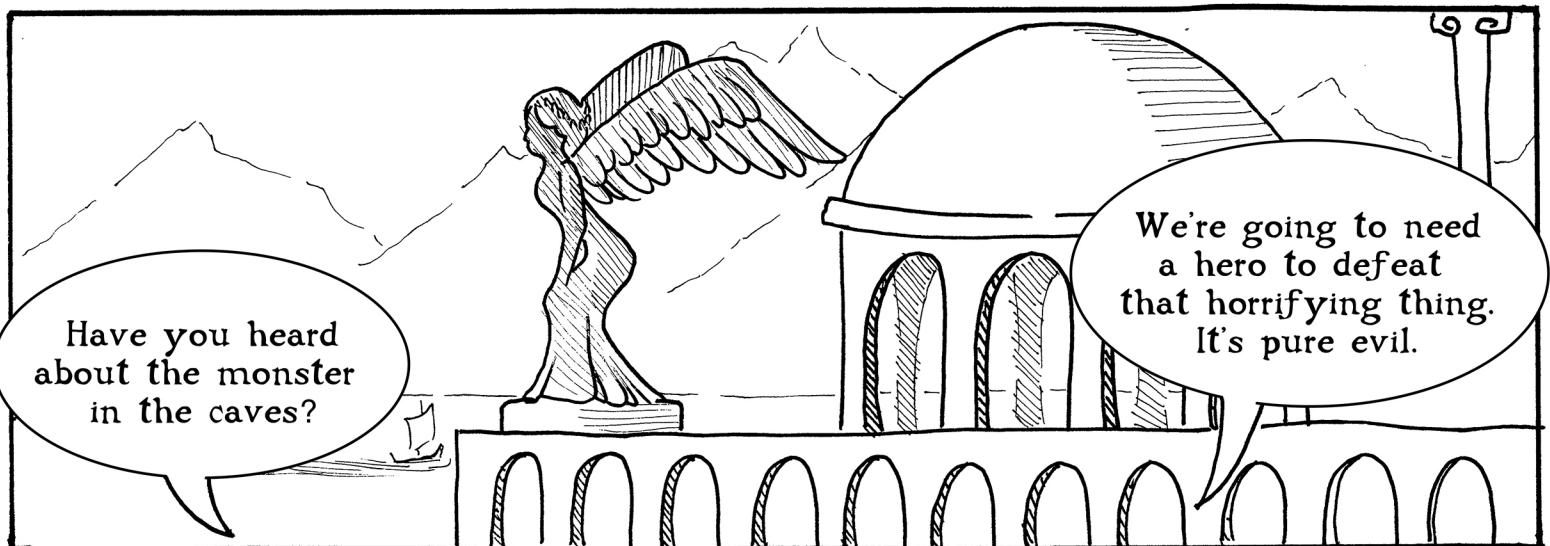

Even if it's
happily ever
after...

Even when it all
seems to work out,
one thing is certain:

THE HERO ALWAYS PEEKS.

Have you heard
about the monster
in the caves?

We're going to need
a hero to defeat
that horrifying thing.
It's pure evil.
