

It was just past 7:30 am, The bell rang as the Students took thier seats. They shuffled in quickly to avoid being Tardy...

April 1st

It was like any other day. The latest news was on the board, and all the Kids were bored to death learning history

UNTIL...

Mr. Richards, if you would kindly wake up...

Mr. Richards I've asked you to...

MR. RIICCH
HHAAARRDDS!

I don't know why I try with these kids.

Reggie wasn't paying attention in history, he was in his own world...

BAM

POW

I GOT YOU NOW JOKESTER!

MR.RII
CCHHAR
RDDS!

Oh, yes?
Me? okay..
Ummm...

I really need
to pay attention
in class more...

Meanwhile, in a class down
the hall Somewhere in a
dream...

In the shadow of
the hallway and the corners
of the playground, there lurked a girl.

But, she was no ordinary
girl, she was known across the
fields and swingsets as...

Sugar girl

And her name

her

She was cunning, small, quick,
and had all the kids on the
playground in a sugary coma from her
poisonous sugary treats. No one knew

who she really was, she kept her
face hidden, but you could tell from
her bright yellow pigtails and freckled cheeks
she was up to no good!

Back in Reality...

Her name was
Sally and she
was Ten years
old. She was in
the fourth grade!

She lived an ordinary life of a ten year old

Drawing with markers playing dress up and going to School. She was a very smart kid, and she seemed to live an ordinary life, but in her imagination, she was

WILD

In between lunch and snack break she imagined herself in a world of black and white, where only she could bring color with her sugary goodness. Only she had the ability of color in that world, and she wanted to share it, but her enemy BATBOY had different plans

He flew in

The

night

and helped those

in need

He was a
Hero!

And Sugar Girl

was

his
Enemy!

Oh no.
Sugar girl.

Hey There
Bat Boy!

Their Battles were
Intense

Give me my Doll
NOW!!

I said
GIVE IT!

NO!

You took
all of my
Juice!

In and out of their Imaginations
They Were enemies in their
dreams world , and they
were siblings in the realWorld.

Well, You
Broke my
Crayons!

Give it
Back!

Stop it!

Would you two
Please shut up!
You're so Loud!

Olive was the
baby sitter and
she lived next
door to the kids

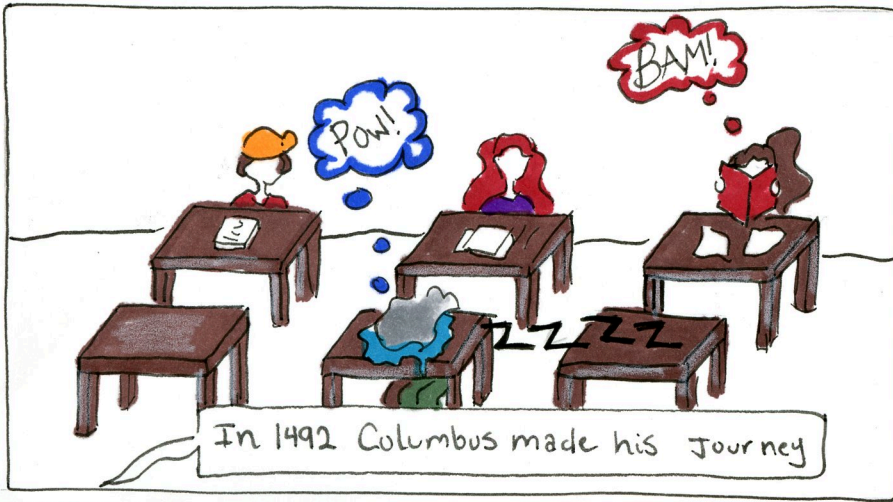

She was also an artist.

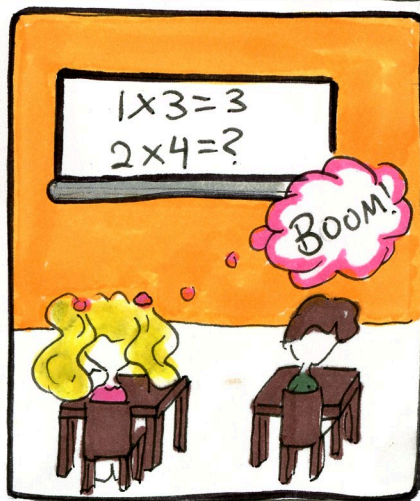

She was quiet, and kept to herself
most days. Comics were her main
way of escaping the real world.
Sometimes she imagined that
she was in one!

Back IN CLASS

During class, Olive and Reggie paid very little attention, instead they day dreamed, and were more into their imaginations, than their class work.

Down the hall, Billy was dreaming of fighting crime during naptime and Sally couldn't do her math because she was fantasizing about being a super villain!

All of them had their imaginations running.

Wild in their brains filled with heros and villains and big battles! Little did they know that the battle would soon be very real!

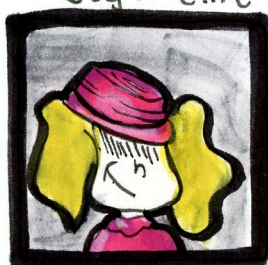

In the realm of dreams, the imaginations expanded! they got so powerful, that they were too big for the Imaginary world! Two Heros! Two villains! NO CONTROL!

The Jokerster!

Sugar Girl

BatBoy!

Paciousious!

All Over the playground The battles began!

NEEW

One minute Im falling asleep
in history Like I always do,
and the next thing I know
my dream became Real!
I don't know how!

What do we do? How
do we stop Imaginations!

Oh my god, thats what
happened to me!

Yeah, It's more Fitting
than a hero. Im a prankster
Whohittch is a Joke.

I have no Idea, but we
will! Wait.. you're a villain?

Yeah, I guess so. more
of a Jokester really

..Jokester? Hmm.. that actually
seems fitting! I guess we. WOAH!

What in the world...
It's... Sugar?!

Don't Eat That!

It's poison from
Sugar girls
Candies!

WHAT!!

Sugar
girl?

Poison?

Yes Poison, She uses Candy to put Kids in
Sugary Komats! You cant Eat that!

Well, Then we have
To stop her!

I mean, all of
Them!

Leave sugar girl to
BATBOY!

BATBOY?

Yes! He is her enemy
He can defeat her!

He hasn't YET!

BUT HE WILL!

NO HE WON'T!

Right, so what do we do now?

Well we will have to battle them!

But Bat Boy is a Hero!

So is Picousious but we have to beat them before they destroy school!

STOP US??

HA! YOU CANT!

Yeeeahhh, you Can't Catch us haa h a h a a !

Oh, shut up Jokester! You got out cuz we did!

Yeah Jokester hush up Sugar girl is the Real villain!

LOOK! We Aren't going back And you cant stop us!

WHAT DO WE
DO NOW!

I have an Idea.
If they are us,
Then why can't
we become
them?

But how do we do that?

We use the
Sugar to put
them into a
Coma, we can
work together!
Reggie can sneak
by, Billy you can
distract them
while we blast
them!

All we have to do
is Imagine them!

But We Don't Have Powers!

And after they are
Knocked out?

We Imagine them
away!

HANDS IN GUYS!

FOOLS!

You can never
defeat me! I
Will draw you in
Sugary Sweetness!

Looking For this?

BU UUT... HOW!

We Worked
Together!

AS A
TEAM!

We know that we
work better together
even your enemy can
be an ally

But Villains and heroes
Together? How?

You Couldn't see because
you work alone, not
as a team...

But, we
ARE!

We are all A
TEAM!

Time for you to go back in our dreams!

We WILL BE
BACK!

You
CAN'T.

You
only
got
out...

because
We
didn't
realize

all we
needed
was
each
other!

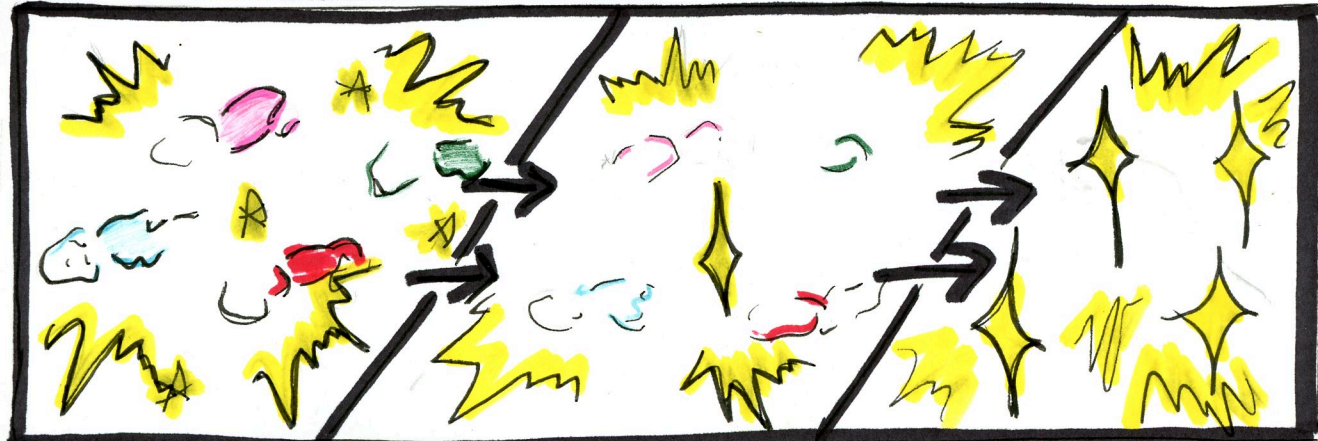

So you are going
back, because we
don't need you here!

We have
each other
now!

We just needed
to see that our real
friends are Right
here!

So now what do we do?

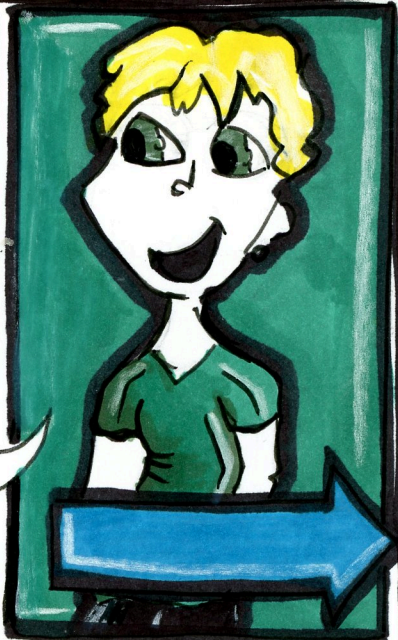

We go home I guess...

Right. It's movie night at the house, Reggie, you can join us if you want?

Really? Yeah Sure I don't have anything else going on.

The day we all
became friends

That day they went
home and watched a
movie, and they were so
happy together, That they
never thought of their
imaginary selves again!

THE End!
