VETERAN CERTIFICATION GUIDELINES AT SVSU:

- 1. You are required to immediately report any increase or decrease in credit hours to SVSU's Certifying Official. You are also required to contact SVSU's Certifying Official within ten days of receiving a W, WP, WF, F, or N grade. Failure to do so will cause retroactive loss of veterans educational benefits for that course.

- 2. You may only receive VA benefits for those courses necessary for your degree program; this includes any elective credits necessary to reach the minimal number of credits required for degree completion. You will not be certified for courses in which you have previously earned a satisfactory grade. Please visit SVSU's Academic Advisement Center to speak with an advisor about specific degree requirements.

- 3. Failure to achieve the satisfactory cumulative grade point average (2.00 for bachelor program, 3.00 for master program) will result in probationary status for being eligible for veterans educational benefits. If the cumulative grade point average is not raised to a satisfactory level within two consecutive terms, no further terms will be certified for the VA benefits until the satisfactory level is achieved. Further, the cumulative grade point average must be at the satisfactory level prior to the last twelve credits of the degree program to be eligible to continue the VA certification process.

❖ PLEASE CHECK BOXES AND SIGN/DATE BELOW IF YOU HAVE READ, UNDERSTOOD AND AGREE TO THESE GUIDELINES.
