Writing Center Summary/Response Assignment

Write a 500 word (or 2 pages typed and doublespaced) summary/response essay based on this video presentation.

In this essay, first summarize your strengths and weaknesses as a writer. Next, summarize the kinds of writing you expect to do in college, and the kinds of writing you expect to do in your professional career. Finally, write a personal response indicating how the SVSU Writing Center can help you develop your writing skills this semester and throughout your college career.

Check with your course instructor with how they would like you to submit this essay, along with the date it is due.
